A rapidly renewable resource harvestable every three years.

This extensive network ensures a continuous, sustainable supply while minimizing environmental impact.

About Merino

From a humble beginning in 1967 to the launch of plywood and laminates and subsequently furniture solutions, the Merino Group has come a long way. Today, the group is one of world's largest manufacturers of decorative surfaces introducing new products, categories and businesses based on market demand with top-of-the-line raw materials, integrating state of the art production and technology. The Group has diverse business interests that expand from Interior and Architectural products to Information Technology to Food & Agro products. With its presence in over 83 countries that span across the 6 continents, The Merino Group has an annual turnover of over 270 Million USD. Driven by the inherent value of constant innovation, Merino offers a diverse bouquet of multiple surfaces with infinite design possibilities that showcases its world class manufacturing prowess.

Our Vision

Our business is built on the steady pillars of a globally relevant mission, a far-reaching vision and, a strong three-pronged motto

- Our Vision** : Global competence & global competitiveness in every line of business by synergizing western work culture & Indian ethos.
- Our Mission** : Universal weal through trade & industry
- Our Motto** : Economy | Excellence | Ethics
 - Excellence is
 - Economic, when founded on work ethics
 - Sustainable, when nourished by moral ethics
- Our Inspiration** : "Arise, awake and stop not till the goal is reached" - Swami Vivekananda
